DEDICATION

The Class Of '94 Would Like To Dedicate This Yearbook To **(Christie Cosmo)** And **(Cecilia (C.C.) Correia.)** Their Upbeat Energy Helped Create The Spirit Of Our Class. Their Memories Are A Constant Reminder Of How Precious Our High School Years Are And Always Will Be. They Will Live Forever In Our Hearts.

Only The Good Die Young

Smiles So Bright They Would Light Up The Room
Life Is Too Short, You Were Both Gone Too Soon
At This Young Age Our Worst Fears Became Real
Our Tears Made Scars Only Time Can Heal
When Life's Just Beginning It Seems It Will Never End
Now Prayers Sent To Heaven Is Talking To Our Friends
Fate Is Now Sealed, It Can't Be Like Before
No Matter How Much We Need You, God Needs You Much More
Memories So Clear, All Your Pictures Are Hung
Now We Know For Sure.
Only The Good Die Young.

THEME

94EVER YOUNG

As we grow older, the things that are so important to us now will seem insignificant. We will loose touch with our friends and forget the great times we've had. We will get so involved with life that we will forget to live.

Let us treasure these days before they are gone forever. Let us remember our friends that leave town or even pass away. Let us remember our teachers (good or bad) and let us remember the pride in our school and ourselves that we have acquired.

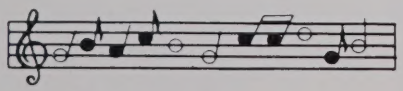
As we grow older, let us remember what its like to be young and stay that way in our hearts and minds.

May God Bless And Keep You Always
May Your Wishes All Come True
May You Always Do For Others
And Let Others Do For You
May You Build A Ladder To The Stars
And Climb Up Every Rung
May You Stay Forever Young

May You Grow Up To Be Righteous
May You Grow Up To Be True
May You Always Know the Truth
And See The Light Surrounding You
May You Always Be Courageous
Stand Upright And Be Strong
And May You Stay Forever Young

May You Hands Always Be Busy
May You Feet Always Be Swift
May You Have A Strong Foundation
When The Winds Of Changes Swift
May Your Heart Always Be Joyful
May Your Song Always Be Sung
May You Stay Forever Young

B. Dylan



May The Good Lord Be With You
Down Every Road You Roam
And May Sunshine And Happiness
Surround You When You're Far From Home
And May You Grow To Be Proud
And Dignified And True
And Do Onto Others
As You'd Have Done To You
Be Courageous And Be Brave
And In My Heart You'll Always Stay
Forever Young

May Good Fortune Be With You
May Your Guiding Light Be Strong
Build A Stairway To Heaven
Be A Prince Or A Vagabond
And May You Never Love In Vain
And In My Heart You Will Remain
Forever Young

And When You Finally Fly Away
I'll Be Hoping That I Served You Well
For All The Wisdom Of A Lifetime
No One Can Ever Tell
But Whatever Road You Choose
I'm Right Behind You Win Or Loose
Forever Young
